SUBJECT: CZECHS CONCUR - ABKHAZIA IS NOT KOSOVO

REF: STATE 14840

(SBU) Emboffs met with Czech MFA Director of Northern and Eastern Europe, David Kostoval, to discuss possible Russian recognition of Abkhazia, Georgia. Kostoval succinctly stated the Czech position on Abkhazia - they recognize Georgia's territorial integrity and they would like to see a peaceful solution. Kostoval confirmed that like the USG, the GOCR does not see Kosovo in the same light as Abkhazia.
